## airBaltic Serves More than Half a Million Passengers in July 2023

Riga. During July 2023, the Latvian national airline *airBaltic* carried 514 800 passengers or by 24% more than during the same period last year. In the previous month, *airBaltic* performed 4 310 flights, marking a 17% increase from July 2022.

Martin Gauss, President and CEO of *airBaltic*: “For the first time since 2019 and the fifth time in the history of *airBaltic*, we have served over 500 000 passengers in a single month. The recent launch of 20 new routes across all our home markets has generated a lot of interest and provided passengers with a wide range of travel options. Overall, these results confirm our trajectory of growth, while the team's dedication to delivering exceptional service is deeply appreciated by customers.”
